TRAINING AND CONTINUING EDUCATION

K9 TEAMS.

EXPERTISE. PRACTICAL TRAINING. CERTIFICATION.

HANDLER TRAINING ◆ ANNUAL CERTIFICATION ◆ TAILORED DURATION

Alongside the theoretical training for K9 handlers (in Germany according to the statutory accident insurance rules, DGUV V23), we deliver practical service dog training, including the annual service dog test (e.g. IdDPO).

01 EXPERTISE

- ✓ Handler proficiency (DGUV V23 in Germany)
- ✓ Required monthly continuing education

02 TRAINING

- ✓ Dogs for observation and alerting tasks
- ✓ Protection and explosives detection dogs

03 METHOD

- ✓ Operant conditioning as the foundation
- ✓ Applied throughout all training

04 TACTICS

- ✓ Training for complete K9 teams
- ✓ Officer safety for K9 handlers

DURATION ON REQUEST
Monthly training, a complete basic course or re-certification of explosives detection dogs.

CERTIFICATES
Annual proficiency certificate (DGUV V23); operational suitability, service dog or explosives detection dog test.

Experience in service dog work since 1988, with our own dogs deployed in the field.
